If the Dressmakers

Of this city don't get the biggest rush of business this fall that they have ever had, it will be for the reason that other (Wheeling) stores are not selling as many dress materials as this one! Busy as bees here from morning till night, cutting off SILKS and DRESS GOODS, which for choiceness and variety, we are led to believe, have no equals—our best previous efforts are eclipsed by the present showing.

Prices? Well, we cannot afford to charge one penny too much, that's certain.

Take the Plaid Class,

For instance. Great is the demand for these, and greater still the showing. Quite a craze for reversible plaids that show two different colors, and Wheeling women are not a day behind New York in their appreciation of these jaunty materials. Are particularly effective made up into skirts to be worn with either plain silk or French flannel waists. Twenty? Yes, forty kinds of plaids to pick from—the heavier ones for Golf Capes.

50c to \$3.00 yd.

We Said Plain Silks

And French Flannel to wear with plaid skirts, but there are other classes here which have an equally strong following. Allude to the plainer fabrics, which are woven from many different kinds of yarns, to produce those dressy effects worn by women of fashion. Just as many—and more—of this, kind here from which to do your choosing.

50c to \$3.75 yd.

Fancy Silks

For Waists. These are here in immense variety, many of them differing materially from those worn in previous seasons. Compound effects, such as a blend of Persian and Roman, are pronounced favorites. Cordette silks are also popular, but you must come in and see this, the greatest showing of silks ever made by this store. Prices that anyone can pay.

Laborers Go On Strike.

The force of laborers employed on the excavation for the Riverside's new pumping station, at Benwood, went on strike yesterday for higher wages. They were being paid \$1.50 a day and they struck for \$2 and rubber boots. The excavation is being made in the river bed, about one hundred feet from the bank, and their work is assisted by coffer dams. The men demand rubber boots, in addition to more money, because they have to stand in some water. The contractors recently experienced difficulty in getting a sufficient number of laborers, and the result of the strike is doubtful.

In the Circuit Court.

In Part II, G. N. Shorts was appointed special commissioner to sell real estate in the case of Nancy Rogers' administrator vs. Jane Buckhannon et al.

Before Judge Melvin, Part I, in the case of Harry Johnson vs. Osborn Gray, a demurrer to the declaration was overruled, and the case set for trial October 2.

The case of Ada Neuhart vs. Frank McFadden, set for October 4.

The case of Frank Robrecht vs. Henry Robrecht for services and money loaned, etc., was on trial before Judge Hervey. Frank sued for \$1,000 and Henry Robrecht filed set-offs.

SEYBOLD CHOSEN

President of the Bank of Wheeling, Succeeding Mr. Lamb.

A MEETING OF THE DIRECTORS

Held Last Night at Which A. J. Clarke was Added to the Directorate—Jacob A. Jefferson Elected Cashier, and Charles Lamb Assistant Cashier—A Board of Trade Organized Last Night at Moundsville.

Last night a special meeting of the board of directors of the Bank of Wheeling was held for the purpose of choosing a successor to the late Gibson Lamb as president of the bank. First the directors filled the vacancy in the directorate by electing Mr. A. J. Clarke. The board then made the following selections:

President—Joseph Seybold.

Cashier—Jacob A. Jefferson.

Assistant Cashier—Charles Lamb.

Mr. Seybold, the new president of the Bank of Wheeling, has been connected with this leading financial institution for thirty years in various capacities; for a number of years he has been its cashier. During the war he was sheriff of Ohio county, and later he was in the retail grocery business.

Mr. Jacob A. Jefferson, the new cashier, is recognized as a very capable man, and his promotion to the post made vacant by Mr. Seybold's advancement will doubtless be well received by the bank's patrons, as will also the promotion of Mr. Charles Lamb, son of the deceased banker, to the post of assistant cashier.

MOUNDSVILLE BOARD OF TRADE

Organized at a Meeting of Business Men Held Last Evening.

Last evening, at the court house in Moundsville, about forty of the business men of that town met and organized the Moundsville board of trade.

The meeting was called to order by Mr. J. A. Ewing, and Mr. J. T. Francis acted as temporary chairman. The following officers and committees were chosen:

President—Thomas Scott.

Secretary—W. O. Ewing.

First Vice President—W. D. Alexander.

Second Vice President—M. F. Cox.

Treasurer—C. E. Woodburn.

Board of Directors—J. C. Roberts, L. G. Brock, M. Keyser, Daniel Younken, Henry Seamon, J. T. Francis, Henry Gehring.

Finance Committee—H. W. Hunter, W. W. Smith, D. Levi.

Committee on By-laws—B. F. Meighen, J. A. Ewing, J. C. Burchinal.

Committee on Statistics—C. A. Weaver, E. E. Henderson, J. C. Parkinson.

Committee on Rooms—W. B. Purdy, Henry Hess, J. C. Simpson.

Another meeting will be held next Tuesday evening, at which the organization will be completed. The business men are all enthusiastic, and the new organization will doubtless do much to advance Moundsville's interests.
